Hate Crime

Hate crimes are any crimes that are targeted at a person because of hostility or prejudice towards that person's:

- [disability](#)
- [race or ethnicity](#)
- [religion or belief](#)
- [sexual orientation](#)
- [transgender identity](#)

This can be committed against a person or property.

A victim does not have to be a member of the group at which the hostility is targeted.

Anyone could be a victim of a hate crime.
